

**Chiropractic Testimonial – by Tricia Dorsey (Patient is her son.)**  
**October 6, 2011**

**What were your symptoms prior to becoming our patient?**

Chronic ear infections.

**For how long?**

6 months.

**What other methods did you try before Chiropractic?**

Antibiotics, but as soon as we stopped...ear infections returned.

**What were the results?**

**When did you start Chiropractic care? Who recommended it to you?**

Spring 2009. Co-worker's daughter had tried chiropractic care for her daughter.

**What is your current status?**

Not a single ear infection since we began adjustments.

**What are some things that you can do now that you couldn't do before?**

**Other information (Anything else you would like to say?)**

**Would you recommend Chiropractic to others?**

Yes.
