

**Chiropractic Testimonial – by Molly Gray (patient is her son)  
April 19, 2011**

**What were your symptoms prior to becoming our patient?**

Colic – spitting up – tense.

**For how long?**

Since birth. Now 3 months old!

**What other methods did you try before Chiropractic?**

Gripe water, changing formula, car rides ☺

**What were the results?**

Nothing worked until Dr. Register picked up screaming baby. He adjusted his back and Gavin instantly stopped screaming! Sleeps great through the night and no more colic.

**When did you start Chiropractic care? Who recommended it to you?**

March 2011.

**What is your current status?**

Wonderful happy baby!

**What are some things that you can do now that you couldn't do before?**

Be happy! Not scream bloody murder!

**Other information (Anything else you would like to say?)**

I think everyone should know how safe and how great the results are for newborns to have chiropractic adjustments!

**Would you recommend Chiropractic to others?**

YES!
